## RINGWORMS ON FACES AND HEADS

Of Children. Irritating and Itched Considerably. Scalps Scaly. Hair Fell Out. In Two Weeks

HEALED BY CUTICURA SOAP AND OINTMENT

"My children had ringworms on their faces and heads for two years. The ringworms came in little white patches on the face and spread to the head, taking the hair off. They varied in size, some were large, some small, but their heads were a solid mass of them. They were irritating and itched considerably. The children's scalps were scaly, and their hair fell out gradually and was dry. I used home remedies and got no relief, but they failed. Then I used Cuticura Soap and Ointment, and after using one bar of Cuticura Soap and one box of Cuticura Ointment in two weeks they were healed." (Signed) Mrs. Pearl V. Saunders, Linkwood, Md., April 5, 1916.
